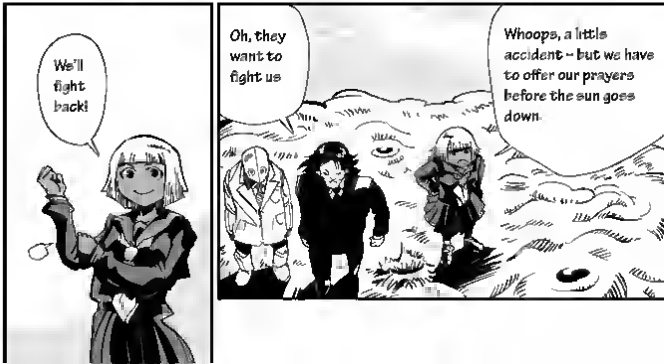
Finally arrived!
With the blessings of the farthest ends, we will open the door to eternity.
We will consume the gods and enwomb them inside ourselves.

What did he say just now?
Huh?
He's gonna eat us
(BOOM)
(slash)



We'll fight back!
Oh, they want to fight us
Whoops, a little accident – but we have to offer our prayers before the sun goes down.

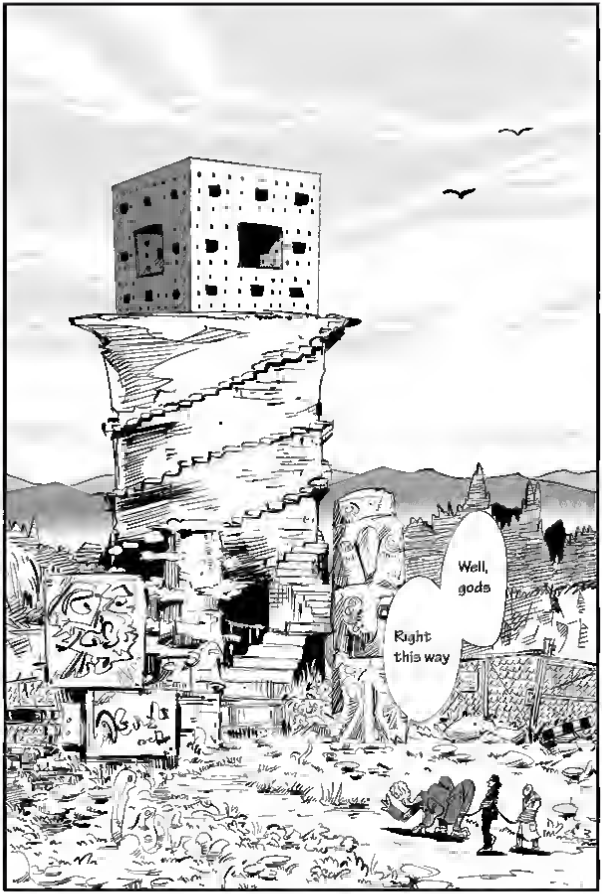
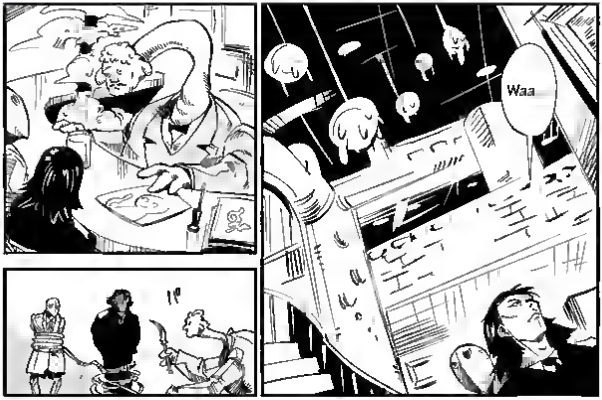
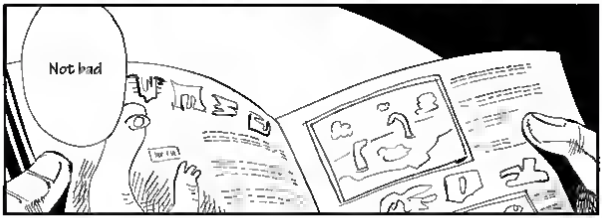
Using the cloud you can access the data through the space internet.



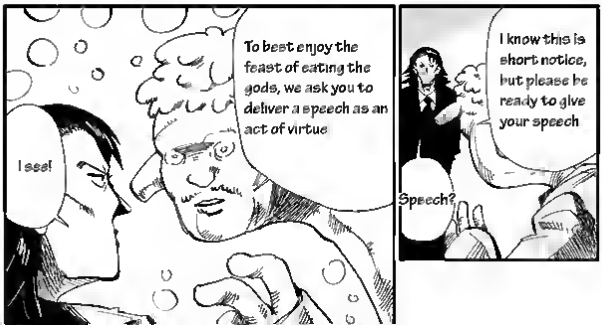
Well, gods
Right this way



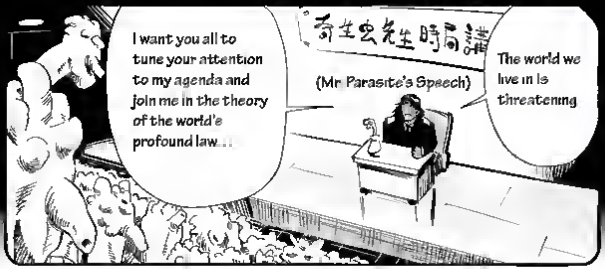
Waa
!?



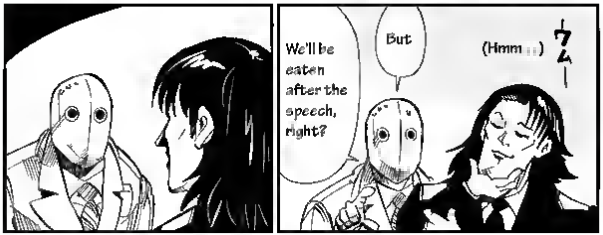
Not bad



To best enjoy the feast of eating the gods, we ask you to deliver a speech as an act of virtue
I see!
I know this is short notice, but please be ready to give your speech
Speech?



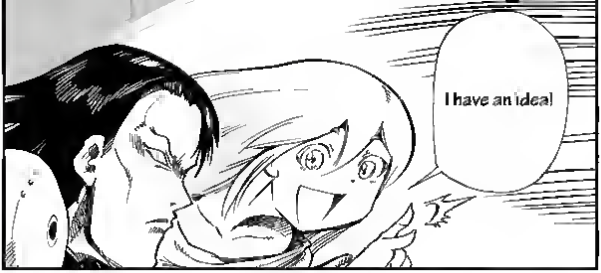
I want you all to tune your attention to my agenda and join me in the theory of the world's profound law...
寄生虫先生時間講
(Mr. Parasite's Speech)
The world we live in is threatening



We'll be eaten after the speech, right?
But
(Hmm...)
ウムー

A girl must have come here before us, right?
Yes
Can I ask you something?
At any rate, we'll get the shirikodama ball back
But if the whale perishes, we all die along with it
Well, for me it doesn't really matter because my body is still in the dream-world

(La la dee la da)
This way
(creak)
(buzz)
Oh, wrong person (person?)
For now, I'll deliver the speech and think about it later.
Whoops, oh crap!
Please come to the hall right away
The speech is running behind schedule



I have an ideal

God, please come this way

Now we will hear the blessed speech from the god
(clap clap clap clap)
Ladies and gentlemen, I apologize for the delay
(clap clap clap clap)
(clap clap clap clap)
